THINGS TO KNOW

THE ESSENTIALS

DON'T FORGET your I.D., some cash or card for merchandise, food trucks, and the wine bar. Consider brining a picnic blanket or chairs to hang out in the lawn after the race (no coolers, no pets, tables, tents or outside alcohol). The after party is going to be amazing with music, dancing, food, games, contests and more wine, so be sure to stick around after your race!

FOOT WEAR

This course is a 2-looped course with 1 aid station that you will hit twice. The run takes all on trails and fields. Please pay attention to your footing at all times.

START LINE

We'll make announcements when it's time to line up for the 5K and 1K. Please be aware of the time and listen for announcements. We've had people miss their event, as they were having too much fun and didn't hear the announcements. We cannot allow anyone to start the course that arrives to the starting line after the last wave has already been released.

SELF SEEDING

We'll ask for our fastest runners (8 minute mile or less) to start the 5K in the first wave and our fun walkers, cartwheelers and stumblers to start the 5K in the last wave to avoid any traffic jams on the race course

5K

This is a 2 looped course! Enjoy the scenery at the venue! You'll be on a mixture of trails and fields so please watch your footing at all times. Along the course, you'll be following the red arrows and race tape. Just like any trail run, if you cross the race tape, you will be off course. **DO NOT CROSS OVER ANY RACE TAPE.**

FINISH LINE

At the finish, you will receive one finisher wine glass as you cross the finish line...Filled with wine, of course. Once you receive your finish line wine glass keep it on hand because additional wine that is purchased during the afterparty will be served in that glass.
