## THE ESSENTIALS

DON'T FORGET your I.D., some cash or card for merchandise, food trucks, and the wine bar. Consider bringing a picnic blanket or chairs to hang out in the lawn after the race (no coolers, no pets, tables, tents or outside alcohol). The after party is going to be amazing with music, dancing, food, games, contests and more wine, so be sure to stick around after your race!

## FOOTWEAR

This run takes all on trails and fields. Please pay attention to your footing at all times.

## START LINE

We'll make announcements when it's time to line up for the 5K and 1K. Please be aware of the time and listen for announcements. For the 5k Fast runners will start in the front while walkers and cartwheels will start in the back. We cannot allow anyone to start the course that arrives at the starting line after the last wave has already been released. Please listen up! :) 1k you will have a line leader that you will need to stay behind at all times, no running, we're not that fast!

# WICKED | WINERUN THINGS TO KNOW

## SELF SEEDING

We'll ask for our fastest runners (8 minute mile or less) to start the 5K in the first wave and our fun walkers, cartwheelers and stumblers to start the 5K in the last wave to avoid any traffic jams on the race course.

This run takes all on trails and fields at all times.

## 5K

Enjoy the scenery at the venue! You'll mainly be running trails so please watch your footing at all times. Along the course, you'll be following the red arrows and race tape. Just like any trail run, if you cross the race tape, you will be off course. **DO NOT CROSS OVER ANY RACE TAPE.** There is 2 aid stations along the course. There is also water available at the finish line.

## 5K FINISH LINE

At the finish, you will receive one finisher wine glass filled with wine to reward you for your efforts! Keep your finish line wine glass because additional wine that is purchased during the afterparty will be served in that glass. Once you receive your finisher wine, you **MUST** clear out of the finish chute to give other finishers room.

# WICKED | WINERUN THINGS TO KNOW

## 1K

This leisurely stroll meanders around the venue. You will need to stay behind the line leader on this course, so no running on the 1k. You will receive one tasting of wine at three different stations (each stop with a new wine) along the course. At the finish, you will receive your final sample in your finisher wine glass. Once you receive your finisher wine, you **MUST** clear out of the finish chute to give other finishers room. Keep your finish line wine glass because additional wine that is purchased during the afterparty will be served in that glass.
