# KNOW BEFORE YOU GO

## THE ESSENTIALS

DON'T FORGET your I.D., some cash or card for merchandise, food trucks, and the wine bar. Consider brining a picnic blanket or chairs to hang out in the lawn after the race (no coolers, no pets, tables, tents or outside alcohol). The after party is going to be amazing with music, dancing, food, games, contests and more wine, so be sure to stick around after your race!

## RUNNING SURFACE

This run is on trails and fields. There could be uneven ground, so please watch your footing at all times.

## START LINE

We'll make announcements when it's time to line up for the 5K and 1K. Please be aware of the time and listen for announcements. We've had people miss their event, because they were having too much fun and didn't hear the announcements. We cannot allow anyone to start the course that arrives to the starting line after the last wave has already been released. Please listen up! :)

## SELF SEEDING

We'll ask for our fastest runners (8 minute mile or less) to start the 5K in the first wave and our fun walkers, cartwheelers and stumblers to start the 5K in the last wave to avoid any traffic jams on the race course

## 5K

Along the course, you'll be following the red arrows and race tape. Just like any trail run, if you cross the race tape, you will be off course. **DO NOT CROSS OVER ANY RACE TAPE.** There are 2 aid stations along the course, each at approx a mile from each other. There is also water available at the finish line.

## FINISH LINE

At the finish, you will receive one finisher wine glass..with wine, of course. Once you receive your finish line wine glass keep it on hand because additional wine that is purchased during the afterparty will be served in that glass. Once you receive your finisher wine, you **MUST** clear out of the finish chute to give other finishers room.
